Class History

Twelve years ago in the fall of 1949, which then seemed to be an eternity, but today is a reality, fourteen boys and girls walked into Hillsboro School. They were: Archie Nine, Linda Bever, Jan Hesser, Bob Congleton, Sue Webster, Walter Benefield, Randy Ludlow, Dale Howard, Carolyn Bever, Judy Stephens, Harry Freeman, Larry Booe, Barbara Schenck, and Stanley Howard. We were fortunate enough to have Miss Betty Bailey in this big year which was to be just the beginning of our education and the opening of a new world for us.

Miss Bernice Hyatt, Mr. Max Livengood, and Mr. Lincoln Lankford had the pleasure of putting up with us for the next five years.

As we entered Junior High School, we were wondering if we were ever going to gain the title of "Seniors." In Junior High, we had Miss Thelma Ebel for our class sponsor. During these past eight years, we lost and gained classmates.

As Carolynn Stewart, Jan Hesser, Mike Funk, Archie Nine, Walter Benefield, Dale Howard, Sue Webster, Sherry Norris, Donald Fortner, Ronald Fortner, Randy Ludlow, Robert Head, Carolyn Bever, Bobbie Parker, and Vernon Gooding entered the Freshman Class, we knew that we were getting closer to our goal. Our class officers were: President, Jan Hesser, Vice-President, Ronald Fortner, Secretary-Treasurer, Donald Fortner, Reporter, Mike Funk, and we elected Mr. Merrill Bush as our sponsor. Later that year, we were sorry to lose Dale Howard and Bobbie Parker, but the gain of Jack French made up the loss.

During our Sophomore year, we ordered and received our bright, royal blue class sweaters. We elected: President, Walter Benefield, Vice-President, Mike Funk, Secretary-Treasurer, Sue Webster, Reporter, Jan Hesser, and Mr. Edwin Hoffhaus as our class sponsor.

As we entered our Junior year, we were thrilled with the prospects of the play and various other activities that came with high school, but most of all, the fact that we had about reached our goal. We presented our play, "Mrs. Gibbon's Boys," with the help of our sponsor, Mrs. Vivian Bryant. The receiving of our class rings, magazine sales, basketball and baseball were just a few of the highlights, but the biggest of all was the Junior and Senior Trip to New York and Washington, D. C. Our class officers for that year were: President, Jan Hesser, Vice-President, Sue Webster, Secretary, Carolyn Bever, Treasurer, Walter Benefield, Reporter, Jack French, Student Council, Mike Funk.

Once again in the fall of 1960, twelve Seniors walked into Hillsboro High School for the last time. Those entering were: Mike Funk, Carolyn Bever, Sue Webster, Carolynn Stewart, Vernon Gooding, Randy Ludlow, Jan Hesser, Robert Head, Walter Benefield, Jack French, Gerald Norman, and Archie Nine. We had at last reached our goal, SENIORS! With the help of Mrs. Estaline Belles, we presented our play, "Alias the Butler," which we all enjoyed and had a lot of fun preparing for. Our class officers were: President, Jan Hesser, Vice-President, Sue Webster, Secretary, Carolyn Bever, Treasurer, Carolynn Stewart, Reporter, Gerald Norman, Student Council, Jack French and Mike Funk. Our Senior pictures, basketball, the Junior and Senior Prom at Purdue University, and other activities added to our Senior excitement.

As we leave, we look forward to going out into the world, but, we will always remember the good times we have had at "Dear Hillsboro High."

Looking Forward

How do you do? My name is Mr. Magoo. My wife and I decided to take a trip around the world in this year of 1981.

First of all we took Rover to the city dog pound and whom did we see but Randy Ludlow. Randy, it seems, is a first class flea-picker there.

Our first stop was at the Indianapolis Speedway where they were then having the greatest atomic car race in the world. As we walked through the pit area, my wife thought she recognized one of the old Hillsboro students. Sure enough, there stood Jack French, whom we found to be one of the drivers. After talking with Jack for a while, we learned that he was very disappointed because he had been coming in last. Then we discovered the reason; Sue Webster was his chief mechanic.

Our next stop was in Washington, D. C., where we visited Archie Nine, who is now the President of the United States, and Carolynn Stewart, his Secretary of Treasury.

From Washington we drove to the U. S. Naval Station in Maine to visit ENSIGN Jan Hesser. When we made an inquiry about him, we learned that he was down on the ocean floor swabbing the decks of the latest U. S. Atomic Submarine.

Since Jan was busy we decided to travel on to Miami Beach, Florida, where we understood Vernon Gooding was employed. When we arrived there, sure enough, there was Vernon selling Indiana oranges in Florida.

After buying some of Vernon's oranges, we traveled on to tour Asia and Europe. After staying in Pakistan for a few days we learned that Walter Benefield was in town, so we decided to visit him. Walter, who always did want to be an engineer, was there on the job, digging oil wells with his latest invention, his Super-Duper-Shovel-Scooper.

Our next stop was merry old England where we visited the newest and most ultramodern city in the world, which, incidently, is constructed purely of steel and glass. Here we found Gerald Norman, who is having a bit of trouble in his newest profession. He is a termite inspector in an all steel city.

We left England by plane and flew over the North Pole to Alaska to visit another of the old Hillsboro students. He is Mike Funk, who is a refrigerator salesman in the Eskimo region. Believe it or not, he's doing very well. Mike always was a great talker.

We flew directly from Alaska to Denver, Colorado, where multi-millionaire Robert Head was living. We learned that Robert was living on a mountain top in his million dollar home with his twenty wives. Robert always did like girls.

After talking with Robert for a while, he told us that he had been having trouble with the local Indian tribe, The Dirty Foot Indians. According to Robert their chief wigwam maker had invented a new weapon known as the "flying wigwam." What really surprised us was that this chief wigwam maker was a former student of Hillsboro High, Carolyn Bever.

Well Mrs. MaGoo and I finally reached home safely. We still laugh about some of the occupations of the old class of '61. Don't you?

Mr. MaGoo

Class Poem

Looking for a lot of fun?
Meet the Class of '61.

JACK, the hot-rodder of our group,
is always wanting a little more soup.

On our diamond, a familiar face,
is MIKE FUNK, at first base.

Far from concentrated is BOB HEAD,
he has always been well fed.

SUE WEBSTER, with all her steam,
is always yelling for our team.

Here comes JAN down the floor,
listen to the home crowd roar.

If political answers you do lack,
ask ARCHIE NINE, he knows the facts.

Cake - pie - ice cream - pudding,
are the favorites of VERNON GOODING.

The secretary CAROLYN S. wants to be,
must never sit on her boss's knee.

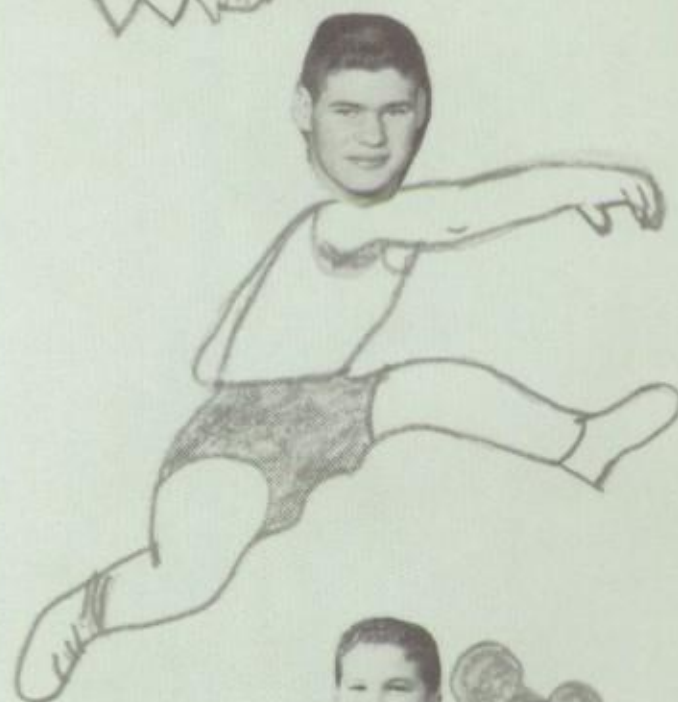

WALTER, the wisest of us all,
can solve most problems without a stall.

The swingiest girl of our class, by far,
is CAROLYN BEVER, with her guitar.

There he is, that's RANDY L.,
about all girls, he's in a spell.

The very last to join our fleet,
is GERALD NORMAN, who's always asleep.

Now we believe it is time,
to bring to an end this little rhyme.
